

We collect information about you when you register with Eventbrite to attend an event organised by Learning Academies Ltd. The information collected (and how we use this) is summarised in the table below:

Personal Information Available to Learning Academies via Eventbrite. (Special Category Personal Information)	
Booking Form Information	
Your full name and email address.	This is essential for setting you up as a customer on the 11+ Mock Examination Day. It enables us to contact you in regards to the 11+ service you are purchasing. We will use your email address to confirm your booking and to communicate with you in regards to the 11+ Mock Exam Day.
Personal Information Available to Eventbrite (not Learning Academies). (Special Category Personal Information)	
Your full name, address and email address.	This is essential for setting you up as a customer on the 11+ Mock Examination Day. It enables Eventbrite to contact you in regards to the 11+ service you are purchasing and to process your payments. Your payment details are never shared with Learning Academies Ltd.
Your booking capacity (Personal or Business), payment card details and billing address.	
Other	
Examination Data	We use your examination data to feedback to you in relation to attainment comparative to peers. This data is anonymised post feedback and used to enhance the validity of the comparative data.
